

Discover Smarter Marketing and Lead Generation with Analyze360®

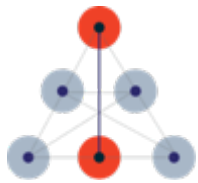

Transform Your Business with Data-Driven Insights and Precision Targeting.

Analyze360® is a comprehensive platform that empowers organizations to uncover actionable insights, refine marketing strategies, and generate high-quality leads.

Leveraging advanced segmentation tools and AI-driven analytics, Analyze360® is built to deliver measurable results for businesses of all sizes.

How Does It Work?

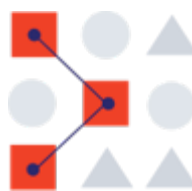

Upload or Explore Data

Choose to upload your customer data or tap into Analyze360®'s vast database of 220 million US consumers to generate insights and prospect lists effortlessly.

Analyze & Report

Access detailed reports within minutes, offering a clear view of audience characteristics, behaviors, and engagement opportunities to drive smarter strategies.

Segment & Target

Apply advanced segmentation and lead scoring to focus your marketing efforts on high-value opportunities and maximize effectiveness.

Engage & Convert

Execute data-driven campaigns with precision, improving engagement rates and achieving higher ROI across your target audiences.

Our clients tell it best...

FASHION

Jewelry or Petite Line?

After using **Analyze360** a nation-wide women's clothing retailer changed direction by adding a jewelry line when they discovered jewelry ranked higher for their customer base. Saving the retailer money and providing their customers more of what they wanted.

AUTOMOTIVE INDUSTRY

Flat Revenue?

After several years of flat revenue, a car dealership experienced 317% revenue growth based on **Analyze360** insights.

COMMUNITY

Targeted Crowdsourcing?

An online community for crowd-sourcing reviews saw a 20-40% increase in their re-marketing efforts after using **Analyze360** to profile their customers and compare them to their remarketing audience.

Analyze360 in action

We provide the solution to help you get the most out of your market segmentation research and it's all within your budget. Reports can be generated on-demand when you need the insight. Visit our website to learn more.
